your surface.ve the Glamour this plain
colour collection brings to your space.
Let your space wear it in style.

About Us

Lamikon Woodlam LLP is a pioneering company in India that specializes in the production of high-quality melamine-faced surfaces using advanced technology. Their products include UV High gloss, which are applied on Core materials like MDF, Plywood, and PLB.

What sets Lamikon apart is their state-of-the-art manufacturing technology, which ensures that their products are not only visually appealing but also durable and long-lasting. Their innovative techniques allow them to create surfaces that are resistant to scratches, abrasions, and other forms of damage.

Additionally, Lamikon is committed to using eco-friendly materials and processes, which makes their products safe for the environment and the end-users. Their attention to detail and commitment to quality has earned them a reputation as a trusted and reliable brand in the industry.

Overall, Lamikon's dedication to excellence and innovation has made them a leader in the manufacturing of melamine-faced surfaces in India.

HIGH GLOSS UV COATED PANELS

In publishing and graphic design, Lorem ipsum is a placeholder text commonly used to demonstrate the visual form of a document or a typeface without relying on meaningful content. Lorem ipsum may be used as a placeholder before final copy is available.
